OPS Level 3 Briefing Note

Incident Number	22-17557
Update	24
Division	
Sector	
Type of Incident	Freedom Convoy
Location	Ottawa
Incident Date and Time	28/01/2022 13:29

Brief Synopsis

There is no one on Parliament Hill and there is limited foot traffic on Wellington Ave this morning.

The same traffic closures are in place and being maintained. There are still significant numbers of trucks blocking northbound Kent. There are only three vehicles left on QED and members are working to negotiate their voluntary departure from this site.

A Quebec based group has strengthened their position at Rideau and Sussex. They have informed our PLT that they would free up the intersection if they were allowed further into the inner perimeter. This was denied.

Groups appear to be fractured creating challenges for negotiating any short term success at a larger scale.

No issues with respect to access by Parliamentarians or Senators to the inner perimeter.
